Alexandria, VA 22313-1450

Sir:

RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Applicant filed an Information Disclosure Statement (including Form PTO-1449) with the above-identified application on July 4, 2004. An Office Action dated February 23, 2006 stated that the Information Disclosure Statement filed on July 4, 2004 has not been considered because a legible copy of each cited foreign patent document allegedly has not been provided.

Accordingly, pursuant to the applicant's duty of disclosure, the information listed in the Form PTO-1449 attached to the July 4, 2004 Information Disclosure Statement is being resubmitted hereby, to bring it to the attention of the Examiner. Copies of the cited references are also enclosed herewith.

It is respectfully requested that the information cited in Form PTO-1449 annexed hereto be considered by the Examiner in connection with the above-identified patent application, and that such art be made of record in said application.

The subject application is a U.S. national phase application under 35 U.S.C. 371 of International Application No. PCT/JP03/00667. The enclosed items were cited in an April 30,

2003 International Search Report in connection with International Application No. PCT/JP03/00667. A copy of the Japanese-language April 30, 2004 International Search Report and English-language translation thereof were filed along with this application on July 4, 2004.

The citation of the listed items is not a representation that they constitute a complete or exhaustive listing of the relevant art or that these items are prior art. The items listed are submitted in good faith, but are not intended to substitute for the Examiner's search. It is hoped, however, that in addition to apprising the Examiner of the particular items, they will assist in identifying fields of search and in making as full and complete a search as possible.

The filing of this Information Disclosure Statement is not an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

If any fees are required for consideration of this Information Disclosure Statement, the Patent Office is hereby authorized to charge any such required fees to our Deposit Account No. 03-3125.

Respectfully submitted,

Paul Teng, Reg. No. 40,837
